Vivek Kumar - Frontend Developer

Email: vermavivek0402@gmail.com | Mobile: 84209608353 | LinkedIn: linkedin.com/in/vivek-kumar-v | Github: github/vivekcse123

EDUCATION

Bachelor of Technology   Jalandhar, Punjab | July 2018 – August 2022 |

LOVELY PROFESSIONAL UNIVERSITY (LPU), CGPA: 7.00/10

PROFESSIONAL SUMMARY

Front-End Developer with **3.4 years of experience**, specializing in **Angular (v12 and above)**. Proficient in developing scalable and high-performance web applications with expertise in **routing**, **state management**, **services**, **design patterns**, **change detection for performance optimization**, and **RxJS** for Reactive Programming. Dedicated to writing clean, maintainable code and delivering responsive, user-centric, and visually engaging interfaces.

WORK EXPERIENCE

EVOKE TECHNOLOGIES | ANGULAR UI DEVELOPER   Hyderabad, India | August 2025 – Present

- Contributed to modernizing a legacy application by migrating from **VB.NET** to **Angular 18 and above** and **.NET 9**, enhancing **performance** and **scalability**.
- Managed and optimized website content using **Sitefinity CMS**, ensuring **consistency** and smooth delivery.
- Collaborated with cross-functional teams to enhance **website usability** and implement new **modules** within **Sitefinity CMS**, improving **content management efficiency**.
- Leveraged AI-powered tools such as **GitHub Copilot** and **Cursor AI** to improve code efficiency, documentation, and problem-solving, enhancing overall development workflow.

TUTORIALS POINT | FRONTEND ENGINEER   Hyderabad, India | July 2022 – July 2025

- Designed and implemented an Angular-based Admin Dashboard for a **Learning Management Platform**.
- Enabled administrators to upload assignments, manage courses, create quizzes, and oversee students, improving content delivery and student tracking.
- Built a responsive, user-friendly interface with optimized **RESTful API integration**, enhancing data interaction and platform efficiency.
- Implemented **design patterns** such as **Dependency Injection (DI), Lazy Loading, Singleton Pattern, trackBy**, and **Change Detection strategies**, resulting in a 30% improvement in page load times.

DOCMATION (RAFTERONE) | SALESFORCE DEVELOPER   Chandigarh, India | Oct 2021 – June 2022

- Learned **Apex** programming language and gained hands-on experience with **Salesforce Trailhead**, clearing **Salesforce Administrator** and **Platform Developer certifications**.
- Collaborated with a cross-functional team to build a responsive **B2B storefront** for **Sony India**, integrating **CRM modules** to streamline transactions.

PROJECTS

MS Tracker

- Designed and developed a **Menstruation Tracker** as a single-page application (SPA) using **Angular**, featuring separate dashboards for **Admin** and **Employees** to streamline WFH request management and menstrual cycle tracking.
- The **Admin dashboard** allows employee management, period tracking, and WFH approvals, while the **Employee dashboard** enables users to apply for WFH, view profiles, and track request and cycle history.
- **Tech Stack:** Angular, RESTful APIs, JSON-Server, TypeScript, JavaScript, HTML, CSS, Bootstrap, Angular Material, Node.js, MongoDB.

SKILLS

- **Languages:** JavaScript, TypeScript, Java, C++, HTML, CSS, SQL
- **Frontend Frameworks / Libraries:** Angular, React, jQuery, RxJS, Angular Material, Bootstrap, PrimeNG
- **Design Patterns:** Dependency Injection, Singleton Pattern, Lazy Loading, Observer Pattern, Module Pattern
- **Tools / Platforms:** Git, GitHub, VS Code, Eclipse, MySQL, JSON-Server, Postman, GitHub Copilot, Cursor AI
- **Core CS / Problem Solving:** Data Structures and Algorithms (DSA), OOP, Component-Based Architecture

ACHIEVEMENTS

- Solved **500+ DSA** problems on platforms LeetCode, Coding Ninjas, and HackerRank.
- Recognized as **Ninja Dominator** in the Weekly League on **Coding Ninjas**.
- Developed and deployed a **Menstruation Tracker Web Application** for the organization.
- **Led a team of 2–3 developers** to deliver high-quality work within given deadlines.
